

Educational Chapter Membership

BCA encourages faculty and students at our Baptist colleges and universities to join as a chapter so that they can participate in membership at a discounted rate and connect with professionals in the Baptist communication field. BCA seeks to foster professional development for students and complement instruction and networking that the faculty and school is seeking to provide them. To this end, BCA seeks to find ways to physically and virtually participate in the educational process. This could come in the form of awards competition participation, speaking engagements, or mentorship by nearby members (at their schools or nearby Baptist entities).

We are asking for each organization to complete this form annually (after July 1 and before Dec. 31) so that we're aware of the students and faculty members who are participating in the chapter. **Faculty and students on this list will be eligible to enter in the Professional awards competition.** These students and other students may also enter the Student competition at the standard rate of \$25 per entry.

Please return this list with the appropriate payment. If you have questions, please contact BCA executive director Margaret Colson at (678) 641-4457 or margaretcolson@bellsouth.net. Please circle one option:

- **1 Faculty/5 Students - \$150** (\$205 value at regular membership rates - \$55 savings)
 - Each student over 5 - \$15 each
- **2 Faculty/10 Students - \$300** (\$410 value - \$110 savings)
 - Each student over 10 - \$12.50 each
